

The Infant of Prague novena prayer

O holy Infant Jesus, I have recourse to you. I beg you, through your holy Mother, help me in this need (here state your request), for I firmly believe that your divinity can help me. I hope with confidence to obtain this holy grace.

I love you with all my heart and with all the strength of my soul. I am truly sorry for my sins, and I beg you, O good Jesus, to give me the strength to overcome them. I resolve never to offend you again, and I come to offer myself to you, ready to suffer anything rather than displease you. From now on I want to serve you faithfully. For love of you, O divine Child, I will love my neighbor as myself.

Child full of power, O Jesus, I implore you again, help me in this circumstance (name it), and grant me the grace to possess you eternally in heaven with Mary and Joseph, and to adore you there forever with the holy angels. Amen.
